

No. TD-3676

29th November, 2016

TO WHOM IT MAY CONCERN

Approved Supplier for underwater hull cleaning

We, CHUGOKU MARINE PAINTS, LTD. (CMP), wish to confirm that we approve Gulf Agency Company Ltd. (GAC) for conducting underwater hull cleaning with the brushless cleaning machine HullWiper Remotely Operated Vehicle (ROV).

When the HullWiper ROV is operated correctly, no damage is caused to the CMP coatings.

Please feel free to contact us if you have any questions.

Yours faithfully,

CHUGOKU MARINE PAINTS, LTD
